

# CleanSpace Learning & Resources

## Introducing CleanSpace Learning & Resources

An online learning platform which provides access to education, tools and knowledge to optimise use of your CleanSpace respirator.

### What You'll Find Inside

Learning Modules (4): In-depth modules designed to provide comprehensive knowledge about your chosen respirator.

User instructions and supplements.

SMART APP Quick Start Guide to access tools to assist in tracking your respiratory protection.

Workplace resources such as Cleaning information, Donning & Doffing posters and much more.

### Certificate of Completion

Upon successfully completing the 4 Learning Modules, you'll receive a "Certificate of Completion" generated automatically and sent to your email.

### Register Today

To access Customer Learning & Resources please register your details on the CleanSpace website or use the QR code below.
