

CleanSpace®

RESPIRATORS

A REVOLUTION IN RESPIRATORY PROTECTION

CLEANSPACE EX NIOSH LOW PROFILE

For those requiring full face protection*:

CleanSpace EX Low Profile is a NIOSH approved positive pressure respirator with P100 filtration efficiency, ensuring maximum protection in the workplace.

With no hoses or heavy waist-mounted battery packs, this award-winning, lightweight design delivers clean, fresh air for a full shift.

CleanSpace is the only choice in protective masks to ensure compliance due to its comfort and one-button simplicity.

CleanSpace EX Low Profile features:

- NIOSH approved (TC-21C-1210)
- APF 50 half mask & APF 1000 full mask
- Lightweight
- No hoses, belts or waist-mounted battery packs
- Easy one button operation
- Up to 8 hours run time
- Smart AirSensit™ Technology

Suitable industries include:

- High dust environments; mining and quarry
- Metal fabrication and welding
- Maintenance and cleaning
- Chemical or biological material handling
- Grain and food handling
- Stone, cement and concrete handling

Now compatible with
CleanSpace Full Face Masks (sold separately).
