
CLEANSPACE CONTINUES BOARD RENEWAL WITH NEW DIRECTOR

CleanSpace Holdings Limited (ASX: CSX; CleanSpace), an Australian company that designs, manufactures, and sells premium respiratory protection equipment for industrial and healthcare markets, has continued its Board renewal with the appointment of Non-Executive Director (NED), Mr Paul Cassano, effective 1 September 2023.

Paul Cassano is an executive with over 30 years' industry experience in general management, operations management and technical roles in the mining and resources sectors with Downer, Thiess and BHP. Paul's wide experience includes 13 years at Downer, where he was most recently CEO Mining, 14 years at BHP in leadership and technical roles, and as EGM, Resources and Development Group at Thiess.

Paul currently provides independent management consulting services as Managing Director of Resilient Resources Pty Ltd. He holds a Bachelor of Engineering in Mining from the University of Sydney and a Master of Business Administration (Executive) from the University of Queensland. He is a member of the Australian Institute of Mining and Metallurgy and the Australian Institute of Company Directors.

"Paul brings both technical and leadership experience that will be ideal for CleanSpace as the Company focuses on growth in industrial and mining settings. He understands the critical importance of health and safety requirements in industrial and mining work settings," said Mr Bruce Rathie, CleanSpace Chairman. "Paul has extensive global and multinational company experience which will provide great insights. We are excited to appoint Paul to the Board and look forward to working with him to deliver on our growth agenda."
