CleanSpace Holdings Limited

ACN 150 214 636

Adopted by the Board on 28 September 2020

CleanSpace Holdings Limited Securities Trading Policy

1 Purpose

- (a) The *Corporations Act 2001* (Cth) (**Corporations Act**) prohibits the trading in shares, options, debentures (including convertible notes) and other securities (**securities**) of a company by any person who is in possession of price sensitive information regarding that company that is not generally available. The Corporations Act:
 - (i) imposes substantial penalties on persons who breach those provisions; and
 - (ii) applies to the extent of any inconsistency between it and this policy.
- (b) This policy regulates dealings by directors and certain officers of CleanSpace Holdings Limited (**CleanSpace** or the **Company**) and other designated persons, in securities in CleanSpace about which they acquire Inside Information through their position or dealings with CleanSpace.
- (c) This policy is not designed to prohibit CleanSpace Persons from investing in CleanSpace securities, but does recognise that there may be times when directors, officers or certain employees cannot or should not invest in CleanSpace securities.

2 Definitions

For the purposes of this policy:

- (a) **“Blackout Period”** has the meaning given in section 4.1 of this policy;
- (b) **“Board”** means the board of directors of the Company from time to time;
- (c) **“Company Secretary”** means the secretary of the Company from time to time;
- (d) **“Directors and Senior Management”** means each director of CleanSpace, the Chief Executive Officer, the Chief Financial Officer, Managing Director and Company Secretary of CleanSpace, Key Management Personnel and persons as the Board decides from time to time;
- (e) **“Inside Information”** has the meaning given in section 3.2 of this policy; and
- (f) **“Key Management Personnel”** has the meaning given in the Corporations Act.
- (g) **“CleanSpace Person”** means:
 - (i) all Directors and Senior Management (i) and any other person designated a CleanSpace Person by the Board in writing; and
 - (ii) also includes:
 - (A) a company or trust controlled by any of the persons referred to in sub-paragraph (i) above; and

- (B) for the purposes of section 4 only, a spouse (including a de facto spouse), child (including a step-child or adopted child), a close relative, a person financially dependent on or acting in concert with any of the persons referred to in subparagraph (i) above.

3 Insider trading

3.1 General prohibition on insider trading

- (a) No CleanSpace Person may, while in possession of Inside Information concerning CleanSpace, in breach of the Corporations Act:
 - (i) buy or sell any CleanSpace securities at any time;
 - (ii) procure another person to deal in CleanSpace securities in any way; or
 - (iii) pass on any Inside Information to another person for that person's own personal gain by dealing in CleanSpace securities in any way.
- (b) All CleanSpace Persons are prohibited from dealing in the securities of outside companies about which they acquire Inside Information through their position with CleanSpace.
- (c) The requirements imposed by this policy are in addition to any legal prohibitions on insider trading. Trading in CleanSpace securities is prohibited at any time by a director or a CleanSpace Person if that person possesses Inside Information.

3.2 Inside Information

A CleanSpace Person is responsible for assessing whether they possess "**Inside Information**". This occurs where:

- (a) the person possesses information that is not generally available to the public and, if the information were generally available, a reasonable person would expect it to have a material effect on the price or value of CleanSpace's securities (or a decision whether or not to trade in them); and
- (b) the person knows, or ought reasonably to know, that the information is not generally available and, if it were generally available, a reasonable person would expect it to have a material effect on the price or value of CleanSpace's securities.

A reasonable person would be taken to expect information to have a material effect on the price or value of securities if the information would, or would be likely to, influence a person who commonly invests in securities to either deal or not deal in securities in any way. Inside Information in relation to the securities of outside companies has the same meaning for the purposes of this policy, except that references to "CleanSpace's securities" should be read as references to the securities of the outside company.

4 Restrictions on trading in Blackout Periods

4.1 Blackout Periods

- (a) CleanSpace Persons, subject to sections 4.3 and 6, may not buy or sell CleanSpace securities during a Blackout Period.
- (b) “**Blackout Periods**” are times when CleanSpace Persons must not deal in the Company’s securities.

The following are mandated Blackout Periods:

- (i) from the close of the ASX trading day on 30 November each year, until 10:00am AEDT on the ASX trading day following the day on which the Company's half yearly results are released to the ASX;
- (ii) from the close of the ASX trading day on 31 May each year, until 10:00am AEDT on the ASX trading day following the day on which the Company's full year results are released to the ASX;
- (iii) from the close of the ASX trading day two weeks prior to the date of the Company’s AGM until 10:00am AEDT on the ASX trading day following the date of the Company’s AGM; and
- (iv) any other period that the Board specifies from time to time.

If 31 May or 30 November are not ASX trading days, then the Blackout Period begins on the preceding ASX trading day.

During Blackout Periods CleanSpace Persons must not deal in any of the Company's financial products or securities, or in any securities related to them.

4.2 Notifications

- (a) CleanSpace Persons must:
 - (i) prior to dealing in CleanSpace securities outside a Blackout Period or where paragraph 5 requires the person to obtain a consent under paragraph 4.2, notify the relevant person in paragraph 4.2(c) (the **Authorising Officer**) of their proposed dealing and obtain consent from the Authorising Officer; and
 - (ii) confirm that they are not in possession of any Inside Information; and
 - (iii) after dealing with the CleanSpace securities, provide the Authorising Officer with a transaction confirmation.
- (b) For the avoidance of doubt, the CleanSpace Person seeking authorisation cannot be their own Authorising Officer.

(c) Authorising Officer

4.3 Exceptional circumstances

- (a) In exceptional circumstances the Authorising Officer, has discretion to approve dealings in CleanSpace securities during a Blackout Period, or other dealings that would otherwise be prohibited by this policy. Any approval given under this section 4.3(a), must be provided by electronic delivery via email. The notification requirements still apply.
- (b) What constitutes “exceptional circumstances” will be assessed on a case-by-case basis within the absolute discretion of the Board, and may include, without limitation, severe financial hardship or a requirement to comply with a court order or court enforceable undertaking.

The Company Secretary will maintain a copy of:

- (a) all requests for an approval to deal in CleanSpace’s securities submitted by a CleanSpace Person; and
- (b) details of all dealings in CleanSpace’s securities made by a CleanSpace Person.

5 Other restrictions

5.1 No speculative trading

Under no circumstances should CleanSpace Persons engage in short-term or speculative trading in CleanSpace securities. This prohibition includes short term direct dealing in CleanSpace securities as well as transactions in the derivative markets, involving exchange traded options, share warrants, contracts for difference, and other similar instruments, which are short term or speculative.

5.2 No protection arrangements

The entering into of all types of “protection arrangements” for any CleanSpace securities (or CleanSpace products in the derivatives markets):

- (a) is prohibited at any time in respect of any CleanSpace securities which are unvested or subject to a holding lock; and
- (b) otherwise, requires consent under paragraph 4.2.

For the avoidance of doubt and without limiting the generality of this policy, entering into protection arrangements includes entering into transactions which:

- (c) Amount to “short selling” of securities beyond the CleanSpace Person’s holding of securities;
- (d) Operate to limit the economic risk of any CleanSpace Person’s security holding (e.g. hedging arrangements) including CleanSpace’s securities held beneficially (for example, in trust or under any CleanSpace incentive plan) on that CleanSpace Person’s behalf; or

5.3 No granting of security over CleanSpace securities or entering into margin lending arrangements

- (a) CleanSpace Persons may not at any time, directly or indirectly, grant any form of security (whether by way of charge, mortgage, pledge or otherwise) over any CleanSpace securities which are unvested or subject to a holding lock, to secure any obligation of that CleanSpace Person or any third party or enter into any margin lending arrangement involving CleanSpace securities.
- (b) Unless paragraph (a) applies, CleanSpace Persons may, directly or indirectly, grant any form of security (whether by way of charge, mortgage, pledge or otherwise) over any CleanSpace securities, to secure any obligation of that CleanSpace Person or any third party or enter into any margin lending arrangement involving CleanSpace securities, with consent under paragraph 4.2.

6 Exemptions

- (a) CleanSpace Persons may at any time:
 - (i) trade CleanSpace securities where the trading does not result in a change of beneficial interest in the securities;
 - (ii) acquire securities under any director or employee security plan or through the exercise of options or performance rights under an option or performance rights plan or acquire, or agree to acquire, options or performance rights under an option or performance rights plan. However, any dealing in those securities remains subject to this policy and the provisions of the Corporations Act;

This includes deciding whether or not to take up the entitlements and the sale of entitlements required to provide for the take up of the balance of entitlements under a renounceable pro rata issue.
- (b) If a CleanSpace Person undertakes any of the actions described in paragraph (a), that CleanSpace Person must advise the relevant Authorising Officer (as set out in clause 4.2(c)).
