## CLEANSPACE HOLDINGS ANNOUNCES RESIGNATION OF MS ELIZABETH HARVEY AS CHIEF FINANCIAL OFFICER (“CFO”) AND JOINT COMPANY SECRETARY

---

**16 May 2023:** CleanSpace Holdings Limited (ASX:CSX, “CleanSpace” or the “Company”) an Australian company that designs, manufactures and sells high level respiratory protection solutions for healthcare and industrial markets, today announces the resignation of the Chief Financial Officer (CFO) and Joint Company Secretary.

Ms Elizabeth Harvey today tendered her resignation as Chief Financial Officer (CFO) and Joint Company Secretary of CleanSpace in order to pursue other interests. She will remain with the business as she serves out her 3-month notice period. Ms Harvey will continue as a committed and passionate shareholder.

Ms Harvey has been with the business for over 5 years. In that time, the Company listed on ASX and experienced the extreme challenges of responding to the Covid pandemic fuelled demand for CleanSpace products and solutions. In more recent times, she has been instrumental in managing the rightsizing of the business.

“I would like to thank Elizabeth for her dedication and commitment to the business over the last 5 years. She has demonstrated a steady professionalism and delivered her responsibilities with diligence,” said Graham McLean, CEO. “The Board and I wish Elizabeth all the very best in her future endeavours.”

Ms Harvey will remain in her role through her notice period of 3 months, and during that time the Company will identify and announce a replacement CFO.

### ABOUT CLEANSPACE

CleanSpace is a Sydney-based designer and manufacturer of respiratory protection equipment for healthcare and industrial solutions, founded by a team of biomedical engineers with experience in respiratory medical devices. CleanSpace is passionate about continually improving health outcomes, safety and standards of care for people who need it most. In the last 20 years, technology has driven unprecedented advances in medical equipment and transformed people’s health. We have brought this to personal respiratory protection. The Company continues to invest in research and development programs resulting in differentiated design and approved products that provide compelling employer and user benefits. CleanSpace Respirators are a true game changer.

The respiratory protection market is estimated to grow to US\$10b market with 6% CAGR over the next 6 years. CleanSpace has world class leading technology and advanced solutions for large employers and their staff that significantly increases the level of personal protection (40 times more than disposable masks); improves ease of use and compliance; and achieves material cost savings and sustainability for their operations. Higher protection for frontline workers means better health outcomes for millions of people, now and into the future.
